<b>ABOUT US</b>  <b>SLOGAN:</b> <b>A GENIUS WAY OF BUILDING!</b>  <b>WEBSITE: GENIUSEMPIRECORP.COM</b>	<p>GeniusEmpire's (established on April 23, 2014) primary mission is to develop and publish uber amazing multi-platform games. We know our name is very bold and some might say shows a bit of hubris, but let us explain why we chose it. We consider a genius to be a selfless person that is willing to take risks that other people might consider crazy for the advancement of that particular industry/sector...or even the world! That is OUR thinking, and we intend to use that thinking to build a global company (a modern day empire if you will) that leaves a great impact on each and every one that plays our games. We aim to create games that are engaging; produced very efficiently, and most importantly; impactful. We want to be one of the ultimate disruptors in the mobile and video gaming industry!</p>
