#	NAME	MINI DESCRIPTION	GENRE	STATUS
1	Dragui Quest™	An arcade style mobile game in which the main character, Dragui, has to dodge the various obstacles that comes his way. Dragui's obstacles include but are not limited to; fireballs, vikings, and other dragons (notably Drako).	Arcade	Version #1 released on Google Play and the App Store.
2	Save Willis™	The player has one minute to solve a series of puzzles in order to save Willis, a diver, from drowning.	Puzzle/ Brain Trivia	In development
3	Conquest of Mythus™	Based on the Tales of Mythus franchise and the strategic card game of the same name. The primary objective of this digital strategic card game is to outsmart your opponent through intelligent strategies with the ultimate goal of conquering Mythus.	RPG (Role-playing Game)	In development
4	Floppy & Duck's Great Adventures™	Based on the popular comic book and soon to be animated TV show of the same name. The primary objective of the game is to get Floppy or Duck (the player can choose who to play as) killed since they die at the end of each journey. The main issue is that the game makes it a bit difficult to kill the main characters.	Action-Adventure	In development
5	Argox: The Warrior God™	Based on the comic book and TV Series of the same name. Argox has to re-capture the thirteen gods before they cause complete chaos to the city.	Action-Adventure	In development
6	Numero 100™	Designed to test your mathematical skills. The primary objective of the game is to find the 4th number that makes the complete sum equals to 100. The secondary objective is to achieve the highest score possible. Show your peers they got nothing on your math skills!	Brain Trivia	In development
7	Brain Up!™	Designed to test how fast you can apply addition and subtraction to various mathematical problems.	Brain Trivia	In development
8	Mega Trivia™	A quiz game where the player is presented with a question and he/she has to find the correct answer from four possibilities. The player has the option from selecting questions from a variety of genres such as; sports, finance, entertainment, etc.	Brain Trivia	In development
9	Misphits™: School's Out.	Based on the animated series about a group of fouled mouth kids, Misphits™. The primary objective of the game is to cause extreme mayhem aka "chores" to the wonderful town of Brookville. The more extreme the mayhem, the more points the player rack up.	Adventure	In development
10	Ryan Landers™	A secret agent with the Secret Operatives Agency (SOA). Each mission is action pack and intense and Ryan tries to complete his mission without getting killed in the process.	Action-Adventure	In development
