

WIN AN ELECTRIC BIKE!

The EBCO Eagle LSR-50 is an ebike whose appearance is bound to turn heads, but it's not just about looking good. This stunning ebike features cutting edge technology, including a high-capacity Lithium Polymer battery giving the bike a range of up to 40 miles. Its 250-watt motor delivers smooth power to assist pedaling and there's even a turbo button for a little extra help when needed. Brand new to the UK market the ebike will be launched at the Earls Court Bike show (stand F17b). For more information visit www.ebco-ebikes.co.uk.

HOW TO ENTER

Answer the following question: How often is the Tour de France held? Yearly Weekly Bi - Annually
