

- Many opportunities available
 - 24/7 website
- New opportunities daily on the North Country Regional Volunteer Center website
 - Strengthen your community
 - Motivate and inspire others to give back
- 100% satisfaction guaranteed knowing you helped someone

The primary focus of the volunteer center is to engage volunteers and solve community issues. The goal is to include all service organizations in their activities as well as provide support to community organizations throughout the state.

This is an amazing opportunity for local citizens to get involved in community service and support their local community organizations. Volunteers make an important contribution to our community.

GIVE. ADVOCATE. VOLUNTEER.
LIVE UNITED.
