## E-NEWSLETTER

NOVEMBER 2010

*Pray earnestly to the Lord of the harvest to send out laborers into his harvest. -Matthew 9:38*

***Dear Friends and Family,***

Warmest fall greetings to you all in our Lord Jesus Christ!

We want to say thank you, and we want to bring you an update to encourage you. God is answering your prayers and ours as we ask Him to send us to the mission field in Trujillo, Peru. Even though the economic downturn is placing many churches and families under budget constraints, our financial support continues to rise. Praise the Lord!

### **Support Raising**

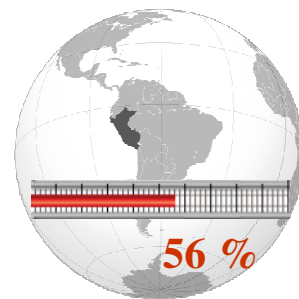

We began raising support fulltime in the middle of July, when Scott laid down his headmaster duties at Greyfriars Classical Academy. Since then he has enjoyed spreading the word about our plans and the work of our team.

In late April Scott passed his ordination exams. Since then we have visited over 20 churches. Even though this takes us away from home most Sundays, it has been a privilege and a pleasure to encourage congregations with what the Holy Spirit is doing in Peru. We would love to visit your church, too. Let us know who best to contact to introduce ourselves and our mission.

We are very thankful that over half of our monthly financial support has been raised. As you can see in the right hand column, 56% of our support has been pledged. ***To leave for Peru, we need commitments for \$3,000 per month more.*** This equals an average of 30 more supporters (churches and individuals) who will partner with us for \$100 per month.

***Please prayerfully consider being one of those 30 who commits to support us at \$100/month and helps speed us to Peru! Is***

\$100/month too much for you? Consider \$50 or \$35 or \$20. Can you give more? Join those supporting us for \$250-\$500/month. Simply give as you are led. If you are not able to commit to monthly support, please consider a one-time gift. All gifts—small or large, monthly or one-time—meet important needs.

*Prayer Requests:*

- *That our visits to congregations will be a blessing to their faith as they see what God is doing in Peru.*
- *Our remaining support would come in to allow us to leave for Peru early in 2011.*

**Family News**

Another school year has begun. Homeschooling keeps the schedule full for Julie and the children during the week. We are enjoying a few non-traditional classes this fall, including a writing class for Kevin and Nathan and a science coop that all the children have a part in. One evening we indulged in a playful discussion of the “planetness” of Pluto!

Kevin and Nathan just completed their fall soccer season at the YMCA. The “Red Rebels United” along with Assistant Coach Scott endured a losing season this year (1-6-1, ouch!). We all enjoyed the time, though, and the boys developed in both character and soccer skills.

Other recent happenings have included Bonnie's 6<sup>th</sup> birthday party, our church's Fall Bazaar, sanding and staining Scott's parent's deck, and a [Chick-fil-A Daddy/Daughter Date Night for Scott, Ellie and Bonnie](#). We will try to do a better job of taking pictures and updating our [family blog site](#) with future happenings. Click the blogger button to visit our blog: 

*Prayer Requests:*

- *Grace and stamina for our family in our travels and as we maintain an irregular schedule.*
- *God's blessings on our children in their schooling.*

Thank you for your faithful prayers for our family. Thank you for your sacrificial financial support. We have been greatly encouragement by the warm and generous response we have gotten by so many over the past few months. Again, thank you!

Warmly in Christ,

*Scott & Julie, and family*
