

ANTI CUTS NETWORK Briefing No 2

Stop the Cuts - Defend Our Services

See attached ward surgeries by ward and at the end of this document is the ward committees:

Ward surgeries are normally one to one discussions, though you can turn up in any numbers and protest or ask questions; or have a rally.

Ward committees are community meetings hosted by local councillors, where more people turn up to

But to find out which local ward you live, study or work in click [here](#) and simply fill in your postcode and it will take you to the ward information page

<http://www2.newcastle.gov.uk/wsapp.nsf/soapweb/PCSearch?opendocument?opendocument>

They don't always make it easy so if it doesn't list your January ward committee and local ward surgeries here, then click [here](#) and type in your ward. Then select on any of the three councillors and it will tell you when there surgeries are.

<http://democracy.newcastle.gov.uk/mgFindCouncillor.aspx>

(PS if you have councillors of different parties i.e. two lib dem and one labour) then they might have surgeries at different times. In which case you can go to both or either!
