

Champions for Kids SIMPLE Service Project

Be Their Champion!

Spin Into Action

Help us build a better world for kids!

Children often arrive at hospitals, shelters, and foster care facilities with very few possessions – sometimes with only the clothes they're wearing. Having a toy or toothbrush that they can call their own can make a huge difference in their lives and give them hope and comfort in challenging situations. By taking a few minutes today, you can give children in your community a gift that they will remember for the rest of their lives.

Here's How YOU Can Help!

GATHER your friends, family, and co-workers to collect fun toys and colorful children's items (like books, games, blankets, and toothbrushes). You can put a donation box at your workplace, school, or community organization, and consider giving a prize to the person who donates the most items.

GIVE the items that you have collected to a local hospital, shelter, or foster care agency in your community to give kids hope, comfort, and fun in challenging situations.

DOUBLE your impact by reporting your project at championsforkids.org/share during the month of July 2013. Let us know how many people were involved and how many items you collected, and Spinbrush will make a matching donation of up to 1,000 Tooth Tunes musical toothbrushes (total) through Champions for Kids to help children in need!
