

# Recruitment

In response to the needs of landcare and community groups in Queensland, Landcare Queensland offers good value recruitment services specifically designed for our natural resource management niche sector.

Let us take the stress of recruiting away, knowing you're going to have the best person for the job.

## About the service:

- We manage advertising and promotion.
- Applicants consult directly with us.
- We assess all applications and provide a short list of candidates.
- We conduct reference checks on all short-listed candidates.
- We can assist with the interview process if required.
- We contact all unsuccessful candidates.

## Benefits:

Our experience in the NRM sector means that we know just what it takes to find the right employee. We understand what's required to work in this sector, on the ground, in the office or anywhere in between!

Our recruitment program has been developed to meet the needs of community groups and to provide high quality recruitment services.

## Recruitment Agent Fees:

Whole package including interview participation	\$3,700 + GST
Package without interview participation	\$2,500 + GST
Travel expenses are billed separately.
