

ICF14

14th International Conference on Fracture

June 18-23, 2017, Rhodes, Greece

Session/Symposium Title: Sandwich Structures

Session/Symposium Chair: Prof. Liviu Marsavina

Address: University Politehnica Timisoara, Department of Mechanics and Strength of Materials, Blvd. M. Viteazu, No. 1, Timisoara 300222, ROMANIA
E-mail: liviu.marsavina@upt.ro

Session/Symposium Co-chair: Prof. Filippo Berto

Address: NTNU, Department of Engineering Design and Materials, Richard Birkelands vei 2b, 7491 Trondheim, Norway
E-mail: berto@gest.unipd.it

Session/Symposium Co-chair: Prof. Roberto Brighenti

Address: University of Parma, Department of Civil-Environmental Engineering & Architecture, Viale delle Scienze 181/A - 43100 Parma, ITALY
E-mail: brigh@unipr.it

Potential topics on sandwich structures (but are not limited to):

- Failure of Sandwich Structures, including failure maps
- Dynamic failure (low velocity, blast) of Sandwich Structures
- Delamination
- Buckling of Sandwich Structures
- Auxetic structures

Important Dates

Abstract due:	October 31, 2016
Notification on abstract:	December 15, 2016
Registration (Early):	March, 31, 2017
Hotel reservation:	April 30, 2017
