

## **A MESSAGE FROM PASTOR MATT HOOK**

*As Christ-followers, we are committed to living out our faith in every area of life. Jesus Himself calls us to be the salt of the earth and the light of the world (Matthew 5:13-16). In this business directory are people seeking to live out their faith in the business community “that people may see your good deeds and praise your Father in heaven”.*

*While Dexter United Methodist Church as a body can't officially endorse these, we do offer specific support and prayer to each of the people who have participated in this directory, and commend them to you. You can also offer the opportunity for connections to be made through this directory. May you continue to know God's grace and peace as you seek to live your life in Christ this day.*

*In His grip,*

Dr. Matthew Hook

*When God calls you to do something, he enables you to do it.*

- Robert Schuller
