How does Homer start the *Iliad*?

Rage is the center of the *Iliad*. Who is Achilles' rage directed at? Who else is angry and how does their anger affect the narrative?

What role does honor play in the motivation of different characters? What is meant by honor?

How do events in Olympus interact with events around Troy?

How do the actions and emotions of the gods differ from or resemble those of the mortals?

How do the actions and desires of the god affect the lives and fortunes of the mortals?

Make yourself a timeline of events of the Trojan War as presented in the *Iliad*.
