M.O.V.E.: MEDICAL CONSENT FORM

To Parents and Legal Guardians: Before medical service can be performed for a person under 18 years of age, permission of the parent or legal guardian must be secured. In the event of a serious illness or an accident involving your Student every reasonable effort will be made under the circumstances to contact you before seeking or providing medical services. In the event that delay in medical treatment may be detrimental to the health of the Student, however, your authorization is required before the College may seek medical consultation and treatment from either a College or local physician or a local hospital or urgent care facility. You may give that authorization to the College by completing and signing this form.

Release & Participation Agreement

I, ________________________ (print full name of parent or legal guardian) understand that the participation of my child, ________________________ (print full name of Student) (hereinafter “Student”) in the multicultural overnight visit experience program (hereafter “M.O.V.E.”) to be held at the College of Charleston (“the College”) on __________ requires my agreement to certain conditions. In consideration of my child’s participation in such a program, I hereby understand, acknowledge and agree to the following terms and conditions:

1. I am the legal parent or guardian of the Student participant named above.

2. I fully understand and appreciate the dangers, hazards, and risks inherent in M.O.V.E, in the transportation to and from M.O.V.E, in staying overnight on campus, and in any other endeavors the Student may undertake supplemental to M.O.V.E. These dangers, hazards, and risks can result in injury and impairment to my body, general health and well being, and could include serious or even fatal injuries. I also understand that these dangers, hazards, and risk could include loss or damage to personal property.

3. Knowing the dangers, hazards, and risks of such endeavors, and in consideration of being permitted to participate in M.O.V.E, on behalf of myself, my family, spouse, heirs, and personal representative(s) (the “Releasors”), I agree to assume all the risks and responsibilities surrounding the Student’s participation in M.O.V.E, the transportation to and from M.O.V.E, in the Student staying overnight on campus, and in any other acts undertaken as supplemental to the MOVE, and on behalf of myself and the Releasors I hereby release, waive, forever discharge, and covenant not to sue the State of South Carolina, the College of Charleston, and its trustees, officers, agents, employees and any students acting as employees (“Releasees” or “College”), for any harm, injury, damage, claims, demands, actions, causes of action, costs, and expenses of any nature that I may have or that may hereafter accrue to me or a Releasor, arising out of or related to M.O.V.E. or any act supplemental to the M.O.V.E., or for any occurrence while I am in transit to or from the premises where M.O.V.E. or act supplemental to M.O.V.E. is being conducted.

4. I further agree to indemnify and hold harmless the Releasees from and against any loss, liability, damage or cost, including court costs and attorneys’ fees, that the Releasees may incur arising from my participation in M.O.V.E. I understand that the College is not responsible for any injury or damage to the Student’s personal property or the property of others while in the possession of the Student during the term of this contract.

5. In case of damage of any kind to the residence halls or other property of the College arising out of any act or omission of the Student/Releasor, the Releasor shall pay such amounts as shall be necessary to put the said property, as the case may be, in as good an order and condition as the same were at the commencement of the this Agreement.

6. I hereby authorize College and those acting pursuant to its authority to: (a) Record the Student’s likeness and voice on a video, audio, photographic, digital, electronic or any other medium and (b) Use, reproduce, exhibit or distribute in any medium (e.g., print publications, video tapes, CD-ROM, Internet/WWW) these recordings for any purpose that the College deems appropriate, including promotional or advertising efforts.

7. I understand that the Student must abide by College policies and is subject to discipline up to and including dismissal for violation of these policies.

OLA 7.9.14
8. It is my expressed intent that this this Agreement shall bind me, the members of my family and spouse, if I am alive, and my estate, family, heirs, administrators, personal representatives, or assigns, if I am deceased, and shall be deemed a legally binding release, waiver, discharge and covenant not to sue the Releasees.

9. The College of Charleston and the Department of Residence Life and Housing reserves the right to refuse admission or readmission if the Student has a past record of violation of residence hall policies or College of Charleston policies or regulations. The College will remove an Student from on-campus housing for the following reasons: violation of housing policies and regulations as stated in this contract and the Guide to Residence Living, such as vandalism, physical violence, disrespect to a college staff member, possession of or participation with illegal substances, drug paraphernalia, or weapons, whether such policies and regulations be now in effect or later enacted after due notice; or the Student’s health (mental or physical) renders the Student unqualified for group living. The College reserves the right to remove a Student if it is deemed to be in the Student’s best interest – for psychological/behavior problems or due to a change in the use of College residence hall space. The College also reserves the right to move Students in order to accommodate a Student with a physical limitation or disability. The College reserves the right to revoke privileges such as visitation as a disciplinary measure. The College reserves the right to fine Students individually or as a group for violations of residence hall policies. The College reserves the right to remove Students for multiple policy violations (whether major or Student in nature).

10. Obligations of the Student

A. The Student is responsible for knowing and observing the principles and policies governing conduct and procedures as stated in the Student Handbook, the College of Charleston Undergraduate Bulletin, and the Guide to Residence Living. Students will be removed from the residence halls for policy violations. There will be no refunds.

B. The Student is responsible for the condition of his or her assigned room and jointly responsible with other Students for his or her residence hall or house and may be fined under the College’s collective assessment policy for damage to the residence hall or house and its common areas, such as lobbies, lounges, halls, elevators, and stairwells in addition to their room or suite. The College reserves the right to levy and collect charges for damages due to unauthorized use of rooms, equipment, or buildings, and for special cleaning necessitated by improper care of rooms or equipment. Each Student is asked to inspect his or her assigned room upon arrival with the aid of a room condition report form furnished by the residence hall director and to make note of any problems or malfunctioning equipment that exists at the time so that charges will not be levied against the Student unfairly. Students will be removed from the residence halls for vandalism. There will be no refunds, and full payment of the contract is required.

C. The assigned Student must occupy his/her room in person and may not sublet it to another person. The Student may not change his/her assignment or room without advance written approval of the Assistant Director of Housing Assignments.

D. Insurance of Student’s property is not provided by the College. The purchase of renter’s insurance (if homeowner’s insurance is not in effect) is highly recommended.

11. Residence Life Rules

The following are not permitted and are subject to confiscation by the College: Cooking appliances and heaters, cinder blocks, incense and burners, alcohol or illegal substance containers/paraphernalia, animals (except for fish), waterbeds and lofts, electrically amplified musical instruments, amplifiers with stereo sets, drums and drum sets, and any items found not in compliance with the Guide to Residence Living. The College will remove the non-regulation item(s) from a Student’s room and such items will be returned solely at the discretion of Residence Life and Housing.

9. By signing this Agreement, I acknowledge and represent that I have carefully read this Agreement and understand its contents and that I sign this document as my own free act and deed. I further state that I am at least eighteen (18) years of age and fully competent to sign this Agreement. I execute this Agreement for full, adequate, and complete consideration fully intending to be bound by the same. The Student has no health-related reasons or problems which preclude or restrict his/her participation in M.O.V.E., and I have adequate health insurance necessary to provide for and pay any medical costs that may arise as a result of an injury to the Student. I recognize that the College of Charleston (“College”) is not obligated to provide for any of my medical or medication needs or insurance and that I assume all risk and responsibility for those needs.

OLA 7.9.14
10. I further agree that this Agreement shall be construed in accordance with the laws of the State of South Carolina. If any term or provision of this Agreement shall be held illegal, unenforceable, or in conflict with any law governing this Agreement the validity of the remaining portions shall not be affected thereby.

THIS IS A LEGAL AGREEMENT AND INCLUDES A RELEASE OF LEGAL RIGHTS. READ AND BE CERTAIN YOU UNDERSTAND IT BEFORE SIGNING.
