

Red Umbrella Consignment Is coming to downtown Chico!

We're looking for people who love fashion and retail, who want the excitement of choosing new store merchandise daily and who are creative, outgoing and self directed. Our store is a fun and eclectic mix of new and up-cycled fashion and home decor with plenty of room for your unique touches! This is a multifaceted position which offers the ability to interact with customers and consignors.

Floor Supervisor–Sales

If you are an organized, dependable, fashionista with a “can-do” attitude, we want you for our team! Supervisory experience in the retail fashion/clothing industry a plus.

Job Description

- Assist in the coordination of all consigning, preparing and pricing tasks
- Have good computer skills and be willing to learn and train new staff in store consignment software program
- Keep current with today's fashion trends and labels
- Be a proactive customer service champion
- Create/update interior and window displays and in-store displays
- Assist with store security
- Assist with merchandising
- Perform all point of sale related tasks such as counting cash, making change, operating the cash register, calculators & credit devices
- Perform all financial tasks, such as banking, reconciling cash, and processing all CTC register media
- Actively participate in the training of all staff
- Participate in all inventory related tasks

Skills/Requirements

- Highly customer service/sales focused
- Ability to work well with people
- Interested in fashion with a good sense of style
- Retail experience and an in-depth knowledge of fashions and designer labels
- Professional attitude with strong communication skills
- Ability to multi-task
- Excellent reliability and trustworthiness
- If this sounds like YOU, consider joining Red Umbrella Consignment!
