## Mint Julep

FROM KATHY REES – NEEDLE DELIGHTS ORIGINALS

New from Kathy Rees:  
***Mint Julep***

*Mint Julep* is a beautiful stitch sampler of geometric patterns. Unusual stitches range from easy to challenging, making this design fun to stitch. Each of the 45 sections is a unique pattern, motivating the stitcher to continue to discover the next stitch combination! A number of different textured threads are included – overdyed, cotton, silk, rayon, velvet, and metallic. Techniques to utilize multiple overdyed threads in one cohesive design will be addressed in class. *Mint Julep* is named for the Kathy's original color combination, but

four additional colorways are available. Additionally, Kathy offers an option for dark borders for the design in lieu of the original light borders. The dark borders are especially pleasing for the Melon and Neutrals colorways.

***Mint Julep*** is a counted design stitched on 18-count mono canvas. It measures approximately 8" square. Threads used include Caron Watercolours (6 skeins), Caron Waterlilies, DMC Floss (5 skeins), DMC Pearl Cotton #5, ThreadWorx Overdyed Pearl Cotton #5, ThreadWorx Overdyed Vineyard, a variety of Rainbow Gallery threads (Sparkle! Braid, Neon Rays (2), Water n' Ice, Petite Very Velvet, Splendor (3), Neon Rays +, and Petite Frosty Rays). Kits include 18-count canvas (cut size: 12" x 12", in your choice of White or Eggshell – the canvas is completely covered so Kathy will choose which she thinks will work best for your colorway unless you specify a preference) and full skeins of all threads. Your instruction booklet will contain all the color and thread numbers for all five colorways.
