Commonwealth Ballet will rehearse on stage just prior to each performance.

Full costume, girls' hair up in performance style (no makeup required). Dancers in Pre-Ballet, Level 1 and Level 2 should arrive at Dress Rehearsal in costume.

Please allow enough time for warm-up and costume preparation. Dancers wear their costumes for dress rehearsal but no makeup. **Please be ready to begin at your scheduled time.** We make every attempt to stay on schedule. Our primary purpose is to ensure each child is comfortable and confident on the stage, so please bear with us if we get behind schedule. Thank you!

Please sit quietly with your class in the auditorium. This is an opportunity for dancers to observe the other classes. If parents stay to watch rehearsal, it would be helpful to assist in keeping the smaller children seated in their class groups. After each class has rehearsed their dance, they may leave or stay to watch the rehearsal.

**Students must attend dress rehearsal in order to perform.**

**Parents may videotape only during dress rehearsal, so please plan accordingly.  
Flash photography is never allowed, as it can be dangerous to the dancers.**

- Levels 8, 9, 10, Modern 3, Advanced & Contemporary Ballet: 12:30 p.m. – lower dressing room

Please allow enough travel time so that your child arrives on time. Dancers need time to put on their costumes, have makeup applied, and mentally prepare for their performances.

### **Performance Etiquette and Information For Parents and Dancers**

Dancers must arrive at the theater in street clothes and leave in street clothes. For the performances on Saturday and Sunday dancers go directly to the cafeteria to check in, then to the designated bathrooms where they change into costume and then proceed with their class to the designated section of the cafeteria where the makeup crew applies makeup. Chaperones help students with these transitions. Then they wait with their classmates until their teacher walks them into the wings of the theatre, and then returns her students back to the cafeteria after the class performs.

Dancers must remain backstage throughout the performance unless they finish their dance by intermission and want to rejoin their families. They must change back to street clothes and a parent must sign them out of the cafeteria area with the head chaperone before they enter the auditorium **and can only do so during intermission. Dancers may not enter the auditorium while the performance is in progress.**

**No food or drink is allowed in the auditorium at any time.**

**Dancers may not enter the auditorium in costume at any time.** If anyone must leave the auditorium for any reason during the performance, please wait until a class's dance is over. Leave during the applause, out of respect for the dancers onstage and other audience members.

**Tickets** are available at the School, at Dress Rehearsals, and at the door before each performance. Tickets are \$20 each for adults, children and seniors. All seats are general admission.
