Double Take Fashions, Inc.

Founded in 1996 by the Mizrahi family, Double Take Fashions is a manufacturer of ladies clothing and accessories.

At a time when manufacturing jobs were being shifted outside of the US, the family wanted to start a company "For America, by America". Producing all of its product domestically, Double Take and its manufacturing partners have been able to create hundreds of jobs here in the US.

Double Take produces both knits & wovens in various categories of Women's apparel. From Junior to Missy, Plus, Petites, Maternity, Tops, Bottoms, Dresses & Sets, the company has established a great quality and fit that continues to perform well at retail. Located in the heart of the NY Garment District, Double Take is able to meet the needs of its retail customers spanning all across the country, servicing a wide range of customers from brick and mortar specialty retailers, to catalogues & e-commerce companies.

From design all the way to finished product, ownership of its production facilities allows Double Take to offer quick turn on fast fashion with competitive pricing. In house pattern and sample making allows for fast interpretation from concept to garment. The production team coordinates the many steps involved in manufacturing from production patterns, fabric quality control, cutting, sewing, in process QC, final inspection and packaging.

Double Take's primary goal is to provide quality clothing to its customers through ethical practices with respect to the environment, worker health and safety.
