## New Life Membership Awards Given

### Lew and Faye Edwards

It is with great pleasure that we were able to induct Lew and Faye Edwards as Active Life Members. Their continuing efforts to serve our members can't be expressed in mere words. It is their devotion and love of our car club that has made them very valuable members. If you ever go on one of their events you will see what I mean.

### Bernie and Sis Stein

The Steins' devotion to our club can best be described as Sis said at the Christmas Party, "It's not a car club it is family, I know that it must be true. All you have to do is observe any event that they are involved in and you will see love in its purest form. I have been in the club for nine years and still look forward to Bernie shaking my hand and saying "How you doing kid," and Sis giving me a big sister hug.

*Congratulations!!!! Richard Halk, President*
