

Dogwood Summer Camp Schedule

May 30-August 3, 2017

Dogwood summer camps are meant for kids and teens, ages 2 ½ to 17 years old. Our programs are perfect for anyone interested in the human-animal bond! Each week, the day-camp has a dog related theme (after all, we are DOGwood). The mornings are spent working with the Dogwood K9 Crew, some dogs in training for people with disabilities, and maybe even your new puppy (ask for details). Kids learn about puppies, adult and senior dogs! We teach empathy, perspective taking, relationship development, care of family pets, grooming, brain games for dogs, positive reinforcement training, jobs dogs do cooking for humans and hounds, and so much more! In the afternoon, the dogs rest, while the humans participate in other fun activities such as movies, board games, arts and crafts, snack making, and more! Some camps that involve production of items might stay at Dogwood for our dog play yard, go to rescue/shelter dogs, and some may go home with campers.

Have a child with a disability? Our staff includes occupational therapists, so kids with disabilities can become part of Dogwoods OT caseload and participate in OT sessions during camp, so they are successful at camp! Please register early for both OT and Camp - space is limited! Caregivers are welcome to stay for the first hour of the first day of any camp.

Creature Comforts (Ages 7-17)

July 5th - 7th (W-F) 9am - 4pm
\$175 / 3-day week

Early learning for being a community volunteer with, and for animals and their causes! We are upcycling materials into beds, toys, and other items that will be used in-house or go to community shelters/rescues for dogs, cats, and perhaps other critters! We need your donations of CLEAN sheets/pillowcases, adult sized T-shirts, socks, and dog-safe tennis balls. *If we get lucky, we will find some volunteers with construction skills to spend a day teaching us to make dog houses, which will also be donated to rescue/shelter organizations and the like! What we do will be completely dependent upon donations of supplies and kid power! If you can offer your skills to help with this camp - please contact us in advance!!!

The Fine Print:

*It is assumed that kids do not require 1:1 care, if you have questions about whether or not we can support your child with or without OT services, please email us in advance. Bring your own lunch, drinks and snacks (cooking activities will involve taste-testing only, not full meals, and will have typical ingredients - **we are not able to cater to allergies with such large groups!**). Kids must be 100% potty trained. If child participates in OT, you will be responsible for any Co-Pays and any registration fees. These are two separate services. OT services require a completed new client packet, at least two weeks prior to camp. Contact us in advance for a new client packet for OT services. Refunds are NOT available (unless Dogwood has to cancel), as we must purchase supplies in advance, and the number of camper space is limited! If you have to cancel for a specific week, and there is an opening in another camp, we are happy substitute one comparable camp for another. We accept cash and credit cards. If participant is dropped off or picked up 15 minutes or more prior to or after camp hours, there will be a \$10 / 30 minutes fee. This must be scheduled in advance as we have regular appointments after camp. We have to arrange additional staffing for early/late activity. Each dog will have more than one handler, and team work is expected.*
