

Dear Bro. Wayne Jupp,

I am supposed to come to Canada this October but because of some other important concerns in the ministry I have postponed it till the middle of next year. One thing more Bro. Doug Wood will be here at the end of this month and we will have the chance to talk more about our partnership. By the way , Fernando Gallego is now in the US together with other students. Ritchelle Ruth my daughter and her child are here in Tuguegarao, she is helping in the school in the ministry here at NBC. The other pastors were here in Tuguegarao for our Foundation celebration they participated in our activities and fellowship with other alumni of the College. We also had our regular IBMA pastors meeting in the region and prayer time. I am also glad to here about what is happening in their respective work.I don't know if Bro. Rodel Siriban have mentioned to you about the death of his mother who passed away about 2 weeks ago. We will have a semestral break Sports Camp this coming **October 27-29'** there will be preaching morning and evening, there will be a lot of unbelievers we are praying for a great harvest among young people and the believers to surrender their lives for service. We also had our first baptism in Sanchez Mira two weeks ago .Please pray for the Agbayani family who are scheduled to be baptized. Pray for new profession of faith that they will come to church in a more regular basis. Please pray for God's protection for us, there is typhoon here almost every week.

Thank you again for your prayers and financial supports.  
May The Lord God Almighty be with you and bless your family and ministry .  
We love you and we are praying for you.

In Jesus name and for His sake,

Richard and Thelma Bitun
