BRINGING LIFE TO THOSE IN THE RUINS

Missionaries to Belize

## January Prayer Letter 2016

Dear ,

**Happy New Year!! Greetings from the Dinsmore family.** We are so excited to see what God is going to do in 2016.

**Starting January 10th, we will begin visiting churches and sharing our burden for Belize.** We look forward to being in 5 different churches during the month of January. Our calendar has filled up more quickly than we ever imagined. We are fully booked from now till the middle of May.

**I will be leaving for a brief trip to Belize on January 11th.** My pastor, Pastor Brett Pennell, will be coming with me, and I'll have the opportunity to introduce him to the Liedtke's. (The veteran missionaries that we'll be working alongside) As well, I'll be able to show him the area where we hope to serve when we arrive on the field. **Please pray that we would accomplish all that needs to be done in the short amount of time that we have.**

While we are very excited about this new journey that we're about to begin, we are sad to say goodbye to the people and ministries that we have been involved in here at Heritage. **Please pray that God would continue to bless and grow this ministry even as we prepare to leave.**
