

**Christian Ambassador Baptist Mission
Balong, Tabuk City, Kalinga, Philippines 3800**

Dear Pastor & brethren,

Warm Christian greetings to all!!

The months has swiftly pass by and we are counting down towards 2015. There are many things that we have to be thankful, for by God's grace we are still in the ministry and for knowing and having people like you who never get tired on holding the rope for missions and missionaries like us who are pioneering a work here in the tribes of Kalinga.

Truly God has been so faithful to us for He has open up more home bible studies and a ministry for teaching values education among the grade five and six in the nearby elementary school where we are staying. We are so excited about it for God has open up door for us to reach more young people for Christ and some of them are already attending our **Sunday services. Our attendance every **Sunday** is increasing by the grace of God.**

Again, thank you so much for your prayers and financial help that you have extended to us. We are praying that God will bless you more and more. May the Lord find us faithful till He comes.

Prayer requests:

- Normal delivery of my wife this coming December**
- Good health of my family.**

Because of calvary,

Pastor Joey Gayyaman & family
