Dear Pastor and Brethren in Christ,

Greetings in the most precious name of our Lord and Savior Jesus Christ. We received your financial support to us and we are glad to inform you that the money you gave to us was used for the ministry and to my family. First, we bought an amplifier speaker, microphone, and additional curtains for the church and we are now using this every Sunday. The remaining money was used for our daily needs, for the schooling of our two kids and for our two year old baby. We are glad because in times of needs God is always providing it through your generosity.

As of now we are looking forward for the young people who are able to join in a basketball clinic as it done in a past year. Through this activity many of young people here are interested to join, but first we share them the Word with them. It is not easy because a there is a lot of sacrifice involved, in purchasing a jersey for each one and for their food. We are still praying that God will provide for it and many youth will accept the Lord as their Savior. For now we have five young people baptized and attending the church through basketball ministry and one of them is our guitarist and song leader. We will be having our first anniversary as mission on 24th of August. Our theme is: 'THE VALUE OF ONE' (LUKE 15:7). Pastor Marck Bitun will be the one to deliver the message. We are still praying for the financial budget to be used in that event. Again Pastor and Brethren thank you for your love and concern for the ministry. We pray that God will bless your generous in giving and in praying.

TO GOD BE THE GLORY!

In Christ,

Bro. David Ocampo and Family
