Feb. 2015

Dear Praying Friends,

We have a new car and we have attached some pictures of it. Praise the Lord for His goodness! The car is a 2007 Hyundai Tucson with low mileage, and it is in very good shape. We are so thankful to every church and individual that helped us purchase it. We sincerely thank each church and individual that contributed or prayed.

Bernadette had a nerve conduction study done on her hands, and it has showed that she has Carpal tunnel syndrome in both wrists. She also has arthritis so the combination is quite painful. Bernadette will be seeing a different specialist to determine what treatment will be needed. Bernadette also has some other health issues so we would ask you to remember her in prayer regarding her health.

Lionel was finally able to visit Jonathan again. We have witnessed to him a number of times and the last time he was very close to being saved. Jonathan was to do Bible studies with Lionel, but personal situations are hindering him from starting. Please pray that God will continue to work on Jonathan's heart, that he will do the Bible studies, and that he will get saved.

Please pray for the salvation of a teenager named Wayne. He was witnessed to while going door to door. He was given a tract and a gospel dvd. Please pray that Wayne will read the tract and watch the dvd. Pray that God will bring him under conviction and that he will get saved.

The Bible studies with Bethany O'Mahony and Lisa have not started yet, but hopefully will start very soon. Lisa wants to bring her friend to the Bible studies. Please pray for these Bible studies.

The Bible studies with Norbert are going very well. He had some homework, he was to memorize Jn 3:16. He phoned to tell Lionel that he had been working really hard at it and he had it memorized. He said he has been saying it to his wife and children. The only thing is when he went to check what he was to memorize he realized it was only Jn 3:16, but he had memorized Jn. 3:16-21! Praise the Lord that Norbert worked so hard at memorizing the verses and that he was saying them to his wife and boys. Please pray that Norbert will be saved soon.

Lionel spoke with our landlord (Dave C.) last week and asked him if he watched the gospel dvd that he was given. He has to set up his dvd player so he has not watched it yet. Please pray that he will watch it and get saved. He has been witnessed to him many times and he is open, but he also does not seem to be under conviction.

Over the years in Cork we have distributed more than 500,000 pieces of literature and knocked on thousands of doors while giving out the gospel. We have sown and watered much; please pray that God will give us a great harvest very soon.

Thank you for your continued faithful support and prayers.

God Bless,

The Smith Family
