Dear Praying Friends,

Our whole family would like to wish each one of you a happy and blessed new year. May this year find each one of us drawing nearer to our Lord and Saviour, Jesus Christ, and may we keep busy for Him until he comes.

This year we started a Sunday School. In the past we have not had the teachers, but we now have four teachers. Bethany O'Mahony teaches the 4 to 10 ages, Sam Samson teaches the 11 to 20 age group, Lionel Smith teaches the adults, and Bernadette Smith takes the under fours. We had one boy that does not come to church, come to the Sunday School. He really enjoyed it and he said that he was going to learn his memory verse. Sadly, he has soccer on Sunday mornings so he is not going to come back, but his sister and brothers are supposed to come. We have only one room for the church, but there is a small office, so we have two classes in the large room, one in the hall way and one in the office. Please pray that the Sunday School will grow and please pray for the teachers.

Thank you for praying for our Christmas programme (two pictures of the programme at the top). It went very well and we had visitors both nights that we ran the programme. We had a couple of microphones break just before the programme, but we were able to work with what we had and it went well. We have replaced the microphones thanks to the kind gift from Good News Baptist Church in Chandler, NC. We are so very thankful for everyone that gave to supply us the pa system. If you want to see the conclusion of the programme you can download it at this link.

Thankfully our family is now healthy. We have had a lot of sickness over the last four months, but every one is healthy now. Thank you for praying.

Please pray for a lady named Tracy. Declan and Bethany witnessed to her while going door to door and she was very open. They will be calling back to witness to her again. Please pray that Tracy will get saved and come to church.

Please pray for Suja, Sam Samson's wife (see the picture at the top). Sam is really growing spiritually and so is Suja, but she is still not baptized. Please pray that she will take that step of obedience this year.

Please pray for Lionel as he will be trying to visit most of our supporting churches in the States during Sept. to Nov. of this year. Pray that he will be able to book the meetings, that he will be able to find a car to rent/lease, that he will be able to get insurance and that God will bless the meetings.

We are so very thankful for your faithful prayers and support.

God Bless,

The Smith Family
