

# BOLIVIA BITS

Jake and Sharon Wiebe serving in Santa Cruz, Bolivia

The Lord provided a brand new motorcycle for Bolivian missionary Teofilo Cabrera. He is a faithful man reaching isolated villages in the valleys of Santa Cruz with the gospel.

## FURLOUGH IN 2016

It is hard to believe that it has been four years since our last furlough! Since I have turned over many responsibilities to Bolivian men, we have decided that now is a good time to take a few months and report to our faithful, supporting churches. We are planning a short, 5 month furlough. We have not planned our traveling schedule yet. If you would like us to come to your church between the months of **June-September**, please contact me at [wiebebolivia@gmail.com](mailto:wiebebolivia@gmail.com) or 519-913-2527 and we will try to make arrangements.
