

Happy Easter!
Here's a treat for you
A special egg hunt
With very tricky clues

Do you like numbers?

I hope you do!

Let's start with any easy one

One and one make...?

Now see if you can find
An object around
Something that rhymes
With the answer you found!

Make sure you look

Over here and over there

Here's another clue

It's something you wear

Now let's think
There must be more
What do you get
When you add four and four?

Now look inside

A cupboard and see

Something you use

For lunch and for tea

Here's another one
You'll like this too
What if you have five
And take away two?

You might need to look

Outside for this one

Maybe up high

Are you having fun?

Happy Easter!

With lots of love from

The Easter Bunny

XoXoX

Time for a big one
Let's start with ten
And take away six
What do you get then?

Inside you go

Look around with your eyes

It's something quite big

Look behind for a surprise!
