### **Introduction:**

The Twelve were sent out by Jesus, so they returned to report to Him and tell what God had done through them. After an intensive time of ministry, they needed rest; so Jesus and the apostles went off by themselves.

Compassion for the crowd (v. 30-34)

The challenge of feeding the crowd (v. 35-37)

Disciples said “send the people away”

Jesus said “give them something to eat”

Committing our resources to Him to see it multiplied (v. 38-44)

### **For reflection:**

We will give Him our all, He will take it, break it, and use it to bless others.
