SUMMER – AUTUMN PHLEGMATIC - CHOLERIC T2/3
aka INDIAN SUMMER, SOFT SUMMER

INDIAN SUMMER – (Summer – Autumn) light red or copper, ash or sandy blonde hair, medium to dark ash (cool) brown, perhaps with red highlights. Often feels their hair is mousy. The most likely to highlight which is not recommended (unless caramel brown). Generally with blue eyes, but could also be slightly green, grey or brown. They could also seem changeable. Skin tone has a medium grayed-blue undertone and possible chatoyance.

You can wear Summer's brown or peach lipstick. Pink will not be as good as Summer's orchid. You can wear Summer blue-red lipstick as well. Choose blush in Summer's red range, or burgundy.

Eyeshadows can include red, tan, brown, lavender, blue-violet and blue, possibly also aqua and highlight with frosty peach. Use a Summer brown eyeliner.
