

Michigan Health Improvement Alliance, Inc.

Community Health Excellence Award

What is the *Community Health Excellence Award*?

The Michigan Health Improvement Alliance, Inc. (MiHIA) *Community Health Excellence Award* recognizes outstanding contributions to improving the health status of the community in our 14-county region. Nominees are those groups or workplaces who have contributed to improving the health culture in any capacity, whether through a volunteer or a paid position in the various community sectors. Both evidenced-based and innovative actions will be considered for the award.

This initiative was developed by MiHIA's Population Health Strategy Team and aligned to the MiHIA Triple Aim Leadership Committee of the Board of Directors.

Instructions for Completing the Scoring Grid

To complete the scoring grid, review each category within the tables below. Evaluate the activities and practices your organization has implemented based on the elements listed within the subsection in the unique category.

To achieve the points, ALL elements must be met within the subsection. The highest subcategory achieved will indicate the points awarded; only 1, 5, or 10 points can be achieved for each category. To achieve 5 or 10 points, the elements within the previous subsection must be met (For example, to achieve 5 points for *Tobacco Free Campus*, the two elements within the 1 point subsection need to be achieved first.)

Submission

Please complete all sections of the scoring grid (page 2-3) and submission summary (page 4). A submission fee of \$25 must be paid, via check or PayPal, when submitting materials. All materials must be submitted via email to MiHIA at admin@mihia.org. If you do not receive a confirmation email within two business days, please email Beth Pomranky, MiHIA Operations Manager, at b.pomranky@mihia.org.

Submissions for 2016 must be received by October 3, 2016.

Evaluation and Awards

An award selection committee will review and evaluate the submissions. Your organization will receive notification of submission outcome by December 2, 2016.

The 2016 *MiHIA Community Health Excellence Award* winners will be publically announced in conjunction with the Annual Health Conference which will be held in January of 2017 at Saginaw Valley State University. The winners will be notified in advance, and all qualified nominations will be forwarded to the State of Michigan for consideration and nomination for the 2016 Hometown Health Hero Award which are announced in April 2017.

Contact

Have questions about completing the grid, or would like additional details about a specific criteria listed? Please contact Mary Kushion, Mary Kushion Consulting, LLC and MiHIA Population Health Strategy Team Leader, at mkushion@gmail.com.
