

Carver Community Service Awards

Nomination Form

The Carver Community Service Awards are meant to recognize the time, support, service, and dedication that individuals and organizations have given unselfishly to the City of Carver. It is important to acknowledge the hard work of citizens that truly make a difference in our community.

Community service can include volunteering time, effort, expertise, or other resources. All citizens, organizations, and businesses within Carver are eligible. Nominations are accepted until November 1 of each year. Carver Community Service Award recipients will receive a plaque and be recognized in City publications for their achievement.
