ABOUT SNIPER'S HIDE

Sniper's Hide was founded in November of 2000 as a forum based community dedicated to Art & Science of Long Range Shooting.

Founded by Frank Galli, veteran of the USMC Scout Sniper School, Sniper's Hide quickly became in leader in this field. Our Members, now more than 100,000 strong, encompass the entire dynamic of the shooting industry. Precision Rifle shooting is a commitment, one appreciated by the clientele who frequent the Sniper's Hide website.

Sniper's Hide mission is to uphold the traditions and professionalism of those who came before us, expanding on the Science, while developing the Art.
