## AUTUMN SEASONAL

**Anaphylaxis – Manuka Smoked Black IPA w/ Chipotle.**

Pilsner malt delicately smoked with NZ Manuka wood gives Anaphylaxis its smooth enticing smoky sweet aroma.

The flavour blends beautifully with the subtle warming heat from chipotle peppers and floral, resinous hops.  
A true marriage of complimentary flavours.

First brewed in 2015 with Wheaty Brewing Corps, Adelaide (AU).

Anaphylaxis replaces Iron Lung as our Autumn seasonal.
