NEW WINTER SEASONAL

Saccharophobic – Salted Caramel Brown Ale

Plasma our Winter Seasonal for the last four years has been put into an induced coma. Let us introduce you to Saccharophobic. Fear not the sugar. Our new Winter seasonal is a Salted Caramel Brown ale.

We've married the delicious NZ Gladfield specialty malts with Murray River Sea Salt that we've delicately smoked over Apple Wood sourced from American Whisky barrels.

The toffee caramel sweetness up front combined and the balanced use of salt that lingers with just a nuance of smoke provides you with your winter nourishment.
