INFORMATION

- A basic identity consist of a logo design, business card and stationery (or flyer).
- A webshop set consists of a logo (and icon), social media set (FB + TW banner and profile picture), business card, 'thanks for your order' card, banner and social media icons, fav icon and shipping/payment options illustration for the shop.
- The difference between personal and commercial is what you're going to use it for, whether you're going to make (in)directly money with it.
- Prices don't include VAT or printed matter.
