

## SEATING

- All players are asked where possible to be seated 10 minutes before the published start time in order that the Tournament Director (TD) may make the necessary arrangements. Late arrivals will be accommodated where possible.
- A member of the partnership must be on the premises in order for a seat to be reserved and the Stewardess is not to be asked to reserve seats. *This does not apply to members who have been granted special dispensation (seating rights).*
- The TD may reserve seats for players with mobility issues and for members who have been granted special dispensation.
- Only the TD may remove a seat reservation; any member with concerns about seat reservations should write to the Bridge Committee.
- One table in each section will be reserved for the TD.
- Players with seating rights will be given a sitting seat whenever possible. Some movements may not allow the TD to accommodate all players with seating rights. Players with seating rights may, therefore, be required to move on occasions.
- Players who are asked to move by the TD should do so promptly please.
