Monroe School District serves over 6,900 students and covers 82 square miles, including the city of Monroe, surrounding unincorporated areas and the area south of Snohomish known as Maltby. We are comprised of 10 campuses, including: 1 high school, 2 academic alternative schools, 2 middle schools, and 5 elementary schools. We are collectively committed to providing powerful instruction, equitable access, and high expectations to EVERY student. We operate from a belief in strengths-based educational practices and embrace the unique strengths and capabilities of our staff and students.
